

Eros Vom Ganeshimmel *German Shorthaired Pointer*

Enjoying a Great Dog

I purchased my first DK dog this past year, I have really enjoyed his personality, hunting and training skills and ability. His test scores reflect that. He is equally happy on land as in water and a very cooperative dog. Axel (Eros Vom Ganeshimmel) received a NA Prize II, 108 points. I ran him in UT at the Red River Valley Chapter and he received a Prize I, 204 points. In his spring DK Derby test, he received a maximum score.

This is my eleven year old son, Devin, and Axel on their first pheasant hunt in North Dakota last fall.
